Governors are encouraged to visit the school on a regular basis. They regularly carry out joint monitoring with subject leaders and attend events such as Sport's Day, Productions, Leavers Assembly and Parent Consultations. This allows them the opportunity to become familiar with the day to day workings of the school as well as attending their Committee Meetings. Governors also have a large amount of responsibility and are held accountable to Ofsted for their strategic role in school.

The Register of Business interests currently shows some business interests, no relationships between Governors and members of staff, one Governor is currently a serving Governor at another educational establishment.
