

Cayton Primary Safeguarding Bulletin!

Hi it's Mrs Wood (year 1 teacher, DSL and SENCO) one of my roles at Cayton School is Designated Safeguarding Lead (DSL). At Cayton, we are committed to ensuring all our children feel safe in school, home and online. To support families further, we are going to continue to provide a bulletin with lots of current information, what we are providing at school and ways to help your child stay safe at home (especially online). I would appreciate any feedback or topics of interest via Dojo through a private message.

Yellow Ribbon

At Cayton School, we will continue to use yellow ribbons (worn on lanyards) as the senior leaders and the safeguarding team. These ribbons symbolise that we are additional trusted members of staff to talk to about feeling safe, friendship issues or any worries. The adults wearing them are: Mrs Monaghan, Mr Vasey, Mr Taylor, Mrs Wood, Mrs Wilson, Mrs Brannon and Miss Clough.

School Updates

- We have focused on water safety and had Every One Active in to do an assembly and workshops with year 1 and 2.
- There is some helpful information/advice on this link about keeping children safe online:
<https://parentsafe.lgfl.net/> or NSPCC website:
<https://www.nspcc.org.uk/keeping-children-safe/online-safety/talking-child-online-safety/>
- School have recently subscribed to Knowsley City Learning online newsletter. These will be updated regularly with online safety information to help us and you keep your children safe online: Here is the link to find the latest edition:
<https://www.caytonprimaryschool.co.uk/safeguarding-1>
- We continue to ask parents not to be on mobile phones on the playground. This is to safeguard the children and yourself. Thanks for your support around this.

PSHE- In Summer

A preventative way that we educate children about safeguarding themselves is through the PSHE curriculum. As you are aware we use the scheme Jigsaw. Last half term's Jigsaw piece was 'Relationships' and the children learnt about what a relationship is and also about healthy relationships. This term, our jigsaw piece is 'Changing me' and the children are learning about how their bodies and emotions change as they grow up. Additionally, we have added consent as an extra to Jigsaw. Any families who are new to school, you can find information on our PSHE/RSE curriculum on our school website.
